Notable features:

Number 849 has round-headed window at first floor, like that at 922 W. Fayette Street. Number 853 has a steep gabled roof, twin chimneys and 6/6 windows. Numbers 841-849 are formstoned.

Environmental context:

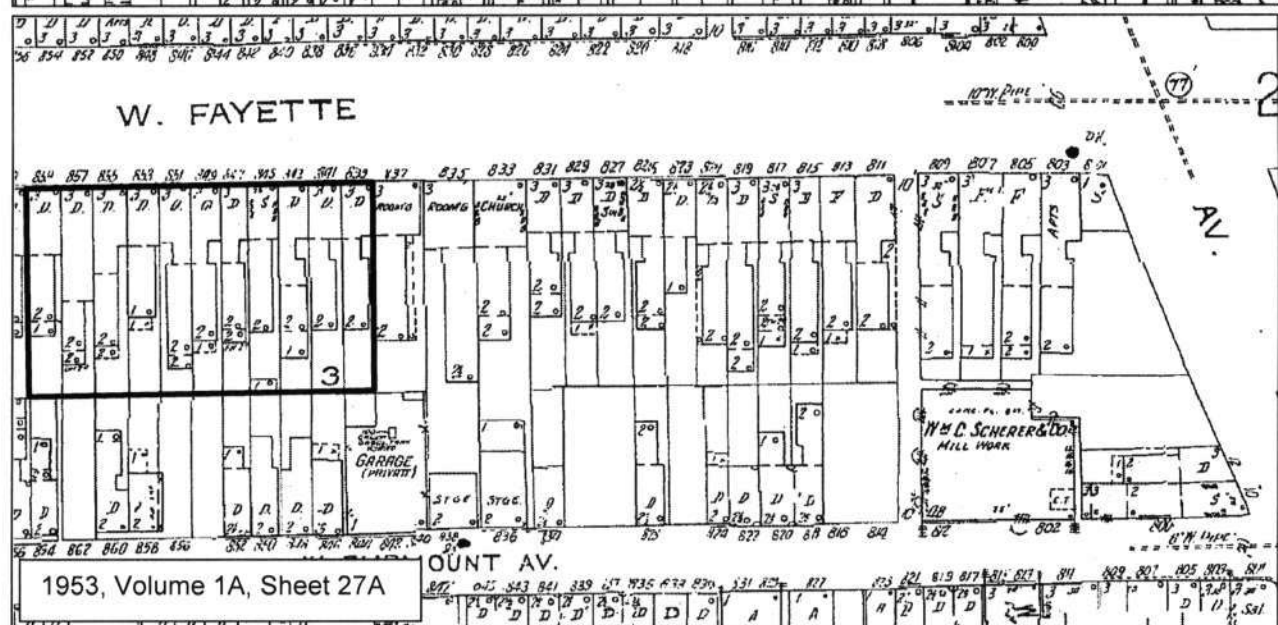

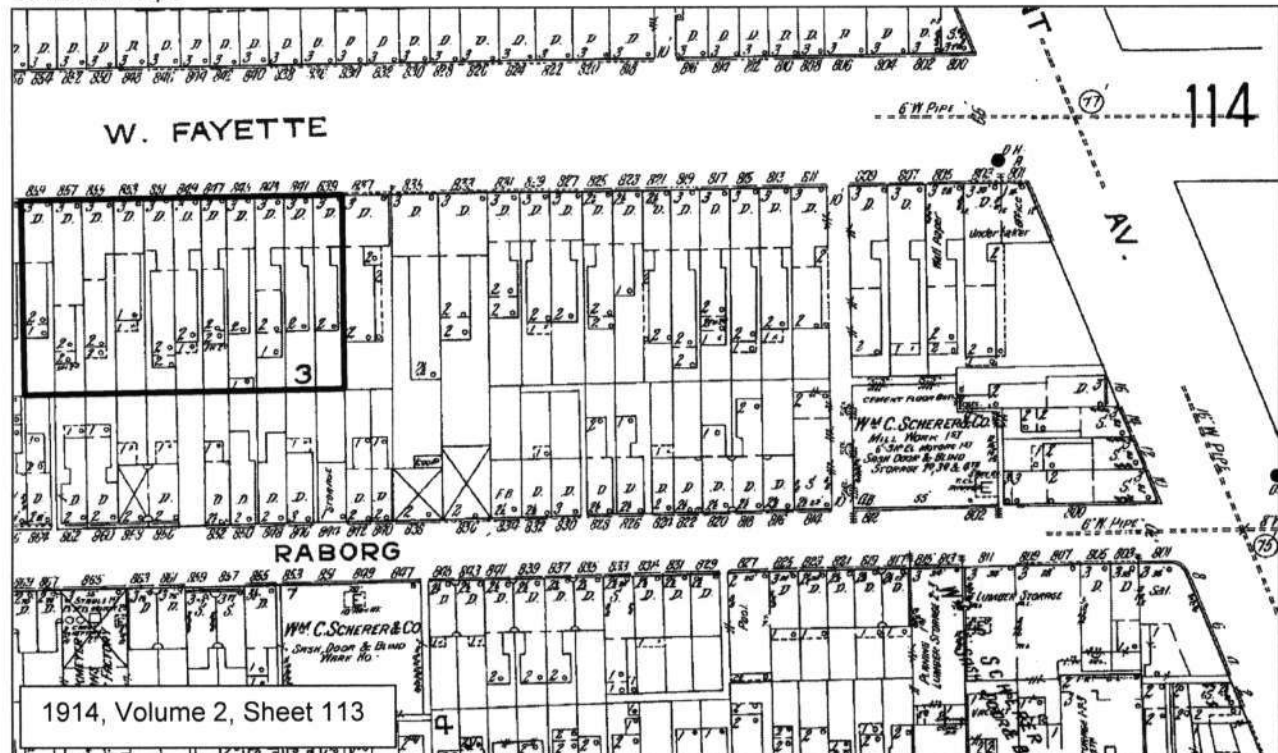

All except numbers 845 and 853 are vacant, and vacant lots flank both ends of the row. Wide, busy street; needs trees. Though the group is in bad shape, it is important to the street to rehabilitate them back to residential use. Across-street scale relation is good.
